WELCOME TO ST. GABRIEL'S PRE – UNIVERSITY

St. Gabriel's Pre – University has grown into a private education institution, providing a wide range of education and training services to our students from the region.

We foster a high degree of communication and participation within the classroom and seek to produce graduates who are confident, competent, and socially responsible. Ultimately, we aim for every student to graduate with a global-centric mindset, fostered through our holistic education programmes and activities.

Our approach to business is to operate as an 'educationist', focusing on the delivery of excellent services and embracing a clear sense of social responsibility. Against this backdrop, we have established ourselves as a strong and credible institution known for being caring and socially responsible and for the delivery of effective, quality and affordable education and training services.

We look forward to welcoming you to join St Gabriel's Pre –University.

Study Abroad

Explore exciting opportunities to complete your final year bachelor's degree at our prestigious partner universities in the UK, Australia, and Singapore. Some universities in Singapore and the UK offer 9-month programs.

The Hotel School in Australia provides a comprehensive 1.5-year program with a paid internship. Additionally, Kaplan in Australia offers a 2-year program with the added advantage of post-study work visa eligibility.

Fast-track your degree while experiencing diverse cultures, enhancing your practical skills, and opening doors to global career prospects. These collaborative agreements offer a range of academic pathways to elevate your education and broaden your global perspectives.

ATHE UK has an official agreement with universities in the UK and worldwide that allows students to pursue a degree after completing an ATHE qualification. These routes are available directly from the universities.

Completing an ATHE qualification can help you achieve your academic and career aspirations. It can enable you to pursue both undergraduate and postgraduate studies at a university, which can further develop your skills and knowledge. This, in turn, can create exciting opportunities in your desired field of work.

ATHE offers various progression routes in partnership with multiple universities as the following:

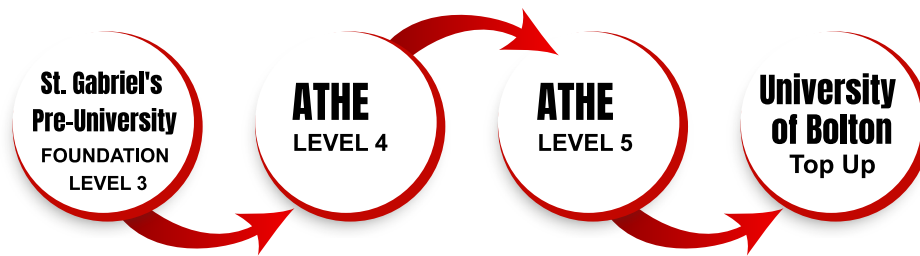

BSc (Hons) Business Management (Top Up) **Study in Indonesia**

About Bolton University

The University of Bolton, located in Bolton, United Kingdom, is committed to providing excellence in education. With a distinguished history exceeding 190 years, the university is renowned for its rigorous academic standards and the cultivation of practical skills. It effectively prepares students for future careers by offering globally recognized programs tailored to meet industry demands.

Career and Professional Development

The BSc (Hons) Business Management (Top-up) course is designed to consolidate and extend your understanding of business functions within the business and commercial world to Honor's-level, and offers opportunities to pursue knowledge of specific areas of business or self-employment

ATHE Level 7 **Study in Indonesia**

Strategic Management Leading to Master of Business Administration (MBA) Top Up

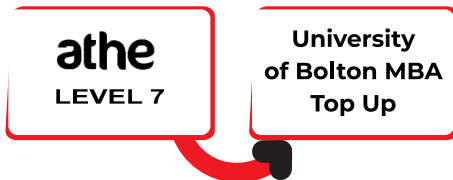

The **ATHE Level 7 Extended Diploma in Strategic Management** qualification provides much of the underpinning knowledge and understanding for the National Occupational Standards in Management and Leadership and is recognised by the University of Bolton, for progression to their MBA top-up.

Learners must complete 8 mandatory units worth 120 credits to achieve the ATHE Level 7 Diploma in Strategic Management

Progression on to the MBA Advanced Standing:

On successful completion of the Level 7 Extended Diploma in Strategic Management you can successfully qualify for Advanced Standing onto the Master of Business Administration (MBA).

The progression options are available under the collaborative agreement between the **University of Bolton and WINC Online**. The MBA is offered through synchronous online learning which uses state of the art lecture technology in place of a traditional classroom, allowing you access to your classes from anywhere in the world!

Your Program Pathway
to Master Business Administration

Strategic Human Resource Management	7	15
Managing Continuous Organisational Improvement	7	15

Entry Requirements

Intake – January

- ★ A first degree in business, management or related subject
- ★ May also have relevant work experience
- ★ Learners must also have an appropriate standard of English to enable them to access relevant resources and complete the unit assignment

Mode of Learning: Hybrid

The Hybrid learning mode combines in-person and online experiences, offering flexibility and accessibility. Students can attend campus classes while participating in virtual sessions, accessing digital resources, and completing assignments online. It supports diverse learning styles, promotes engagement, and ensures educational continuity location.

This Esteemed Program

Is accessible both on campus and through online learning, ensuring convenience for all participants. We want you to know that we aim to help you complete this program within an average of 6 to 8 months, but it may extend further should target dates not be achieved. The campus is equipped to provide all necessary learning resources for the study of each assignment required to complete the Assessment Tasks. A combination of formative and summative assessments lets you monitor your progress after each section. The lecturer will be there to support you throughout your program, ensuring that all your questions and concerns are answered in a timely manner.

Parent's Testimonial

Natalie Margareth
Model/Actress
Mother of Royce Soerjo Putera

“After joining St. Gabriel's Pre-University, my son has gained a newfound enthusiasm and desire for his future as a result of the supportive environment afforded by the school and the concentrated learning that it provides. To further his career as an influencer, Royce is interested in expanding his knowledge of business and putting it to use in developing his professional skills as an influencer.”

Natacha Chene
Mother of Dylan Farrel Zhang

“Wow! I have made St. Gabriel Pre-University the Best Choice for my son, Dylan. I believe he will succeed in his academic life and his professional dream career to be an Entrepreneur. He has developed intellectually as a mature teenager and shows much interest in his studies. He has benefited so much during his studies at St. Gabriel Pre-University. He has been nurtured by very experienced mentors, lecturers, and a family-oriented environment. There are many activities like learning journeys, workshops, and sports competitions. St. Gabriel Pre-University focuses not on academics alone but on the personal development of each student. I believe my son will soon be molded into a fine young gentleman. Thank You, St. Gabriel Pre-University; I am so relieved my son joined this campus. It is an excellent learning journey for Dylan.”

John Tjahjanto Boestami
Minister/Deputy Chief of Mission/Head of Chancery
Father of Sebastian Haruo Boestami

“Sebastian has achieved minor goals in his tenure at SGPU, but he must continue to strive forward in order to overcome and achieve more major goals on the road that lies ahead. This is all possible thanks to the dedication of the teachers and staff at SGPU who have a strong work ethic commitment in providing quality education. We believe that with the grace of God he will surpass these trials and continue in his progress. In the future, when he transitions to another school to pursue higher education, as a family we can only hope that the new school environment will equal St. Gabriel's atmosphere of friendly, dedicated teachers, staff and administration personnel. Thank you from the bottom of our hearts.”

Sri Wahyuni
Mother of Nurul Shafira

“We were looking for an affordable and qualified Business and Management College for our daughter, Nurul Shafira, and St. Gabriel's Pre - University is more than delivered. The lecturers are not only teaching the students theoretically but also giving them hands-on learning in how to manage a business. We saw a gradual change in Shafira that she is more excited about business talk and how to apply the theories she studied into practical experience. St. Gabriel's Pre - University helps us to nurture Shafira into a fine businesswoman. We wholeheartedly recommend St. Gabriel's Pre - University to other parents for children's higher education in Business and Management. We can't thank you enough for all the lecturers and staffs who make this whole learning experience enjoyable for our daughter.”

Student's Testimonial

Willie Salim (Alumni St. Gabriel's Pre-University)

“I had a fantastic time at St. Gabriel's Pre-University. The lecturers and mentors are excellent listeners and eager to assist. In addition to enhancing my skills and knowledge, they helped me grow. The assignments were challenging, but they were always willing to explain things to ensure their students were on the same page. St. Gabriel's Pre-University has prepared me well for higher education, and I am grateful for the education and experience it has given me.”

Nurul Shafira (Alumni St Gabriel's Pre-University, Cumlaude BA (Hons) University of Hertfordshire)

“Hello everyone, I'm Nurul Shafira, a St. Gabriel's Pre-University graduate, attended Hertfordshire University for my last year. UK life is great. My friends help me adjust quickly. The Indonesian community here are also friendly and helpful. The studies are relatively easy to follow because I learned how to write research papers, reports, and other academic papers in St. Gabriel. So, when I arrived, I could immediately follow the lecturers. I recommend that those in their final year at St. Gabriel go to the UK. It's entertaining, educational, and you'll meet people from various cultures.”

Cassey Callista Chou (Alumni St. Gabriel's Pre-University)

“My experience at St. Gabriel's Pre-University is excellent and memorable. The mentors and lecturers at St. Gabriel's Pre-University helped me enhance my academic and interpersonal skills. All the tasks given were pretty challenging, but at the same time, they developed our teamwork skills. So far, the events have provided me with opportunities to meet new people and exchange ideas. I am grateful to be a member of St. Gabriel's Pre-University, which has provided us with excellent placement chances.”

Why You Should Join **St. Gabriel's Pre-University?**

The Seven Wonders of St. Gabriel's Pre – University, to enroll students in our university's Business Management programme to acquire a thorough education combining theoretical understanding and practical expertise with the UK curriculum. Our programme offers a dynamic learning atmosphere and enough networking possibilities to equip you for success in the dynamic world of business.

UK Accredited Program

01

Our college offers an ATHE UK-accredited diploma program that is recognized globally for its high-quality education. This means that the diploma you earn will hold significant value and enhance your career prospects.

Distinguished Lecturers

02

Our college has a team of experienced and qualified faculty dedicated to providing students with a top-notch education. We offer our students hands-on training opportunities, allowing them to gain real-world experience and be better prepared for their careers.

Extra Curriculum

03

Engaging in extra-curricular activities alongside your academic pursuits helps foster a well-rounded personality development. These activities provide opportunities to sharpen your skills, explore new interests, and enhance your abilities beyond the classroom.

Prestigious University Partners

04

Partnering with prestigious universities also means access to their extensive alumni network. This network can be a valuable resource for mentorship, internships, job placements, and networking opportunities. Being part of a strong alumni network can significantly benefit your career progression and open doors to various professional opportunities.

Affordable Price & Huge Savings

05
